WATER UNDER PERMIT NO. 31979 IN)
THE NAME OF SOUTHWEST LINCOLN)
COUNTY WATER DISTRICT)

O R D E R

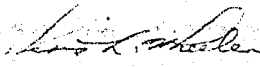

The Southwest Lincoln County Water District is the holder of permit No. 31979 which grants the right to appropriate not to exceed 0.30 cubic foot per second of water from Vingie Creek for domestic use.

The District has advised the State Engineer that the appropriation has not been made, but a study is being made for water supply from Vingie Creek and the District desires to preserve the right until final determination is made.

It is believed that it will be consistent with the public interest to grant said extension.

NOW, THEREFORE, it hereby is ORDERED that the time limits to begin and complete construction and make complete application of water under permit No. 31979 be extended to October 1, 1975.

Dated at Salem, Oregon, this 18th day of January, 1971.

State Engineer
