

BEFORE THE STATE ENGINEER OF OREGON

LINCOLN COUNTY

IN THE MATTER OF CORRECTING WATER )  
RIGHT CERTIFICATE NO. 6334, IN ) O R D E R  
THE NAME OF PETER FREDERICK. )

Certificate No. 6334 was issued to Peter Frederick on July 1, 1926, granting a right to the use of water from an unnamed spring for domestic use within the NW $\frac{1}{4}$ SW $\frac{1}{4}$ , Section 26, Township 14 South, Range 11 West, W. M.

Peter Frederick has filed an affidavit to the effect that the description of the place of use is incorrect in that the range number should be 12 West instead of 11 West and that such error was due to an inadvertance on the part of his engineer at the time of making the original application, and has requested that said error be corrected.

An examination of the map filed with the original application indicates the location of the place of use was undoubtedly intended to be in Range 12 West rather than 11 West, and, since it appears that the rights of no other party will be injured thereby,

IT IS ORDERED that Certificate No. 6334 be and the same is hereby superseded by Certificate No. 11518 describing the place of use within the NW $\frac{1}{4}$ SW $\frac{1}{4}$  of Section 26, Township 14 South, Range 12 West, W. M.

Dated at Salem, Oregon, this 15th day of June, 1936.

CHAS. E. STRICKLIN,  
State Engineer.
