

**BEFORE THE WATER RESOURCES DEPARTMENT
OF THE
STATE OF OREGON**

In the Matter of the Proposed Water)	FINAL ORDER APPROVING A
Management and Conservation Plan for the)	WATER MANAGEMENT AND
City of Tillamook, Tillamook County)	CONSERVATION PLAN

Authority

OAR Chapter 690, Division 086, establishes the process and criteria for approving water management and conservation plans required under the conditions of permits, permit extensions and other orders of the Department.

Findings of Fact

1. The City of Tillamook submitted a Water Management and Conservation Plan (plan) and the required statutory fee for review of the plan to the Water Resources Department (Department) on July 10, 2019. The plan was required by a condition set forth in the final order issued on November 14, 2014 approving an extension of time for Permit G-9829
2. The Department published notice of receipt of the plan on July 16, 2019, as required under OAR Chapter 690, Division 086. No comments were received.
3. The Department provided written comments on the plan to the City on August 29, 2019 and September 23, 2020. In response, the City submitted a revised plan on September 2, 2020 and a final revised plan on October 27, 2020.
4. The Department reviewed the final revised plan and finds that the final revised plan is consistent with the relevant requirements under OAR Chapter 690, Division 086.

Conclusion of Law

The Water Management and Conservation Plan submitted by the City of Tillamook is consistent with the criteria in OAR Chapter 690, Division 086.

Now, therefore, it is ORDERED:

Duration of Plan Approval:

This is a final order in other than a contested case. This order is subject to judicial review under ORS 183.484. Any petition for judicial review must be filed within the 60-day time period specified by ORS 183.484(2). Pursuant to ORS 536.075 and OAR 137-004-0080, you may petition for judicial review or petition the Director for reconsideration of this order. A petition for reconsideration may be granted or denied by the Director, and if no action is taken within 60 days following the date the petition was filed, the petition shall be deemed denied.

1. The City of Tillamook Water Management and Conservation Plan is approved and shall remain in effect until **November 20, 2030**, unless this approval is rescinded pursuant to OAR 690-086-0920.

Development Limitation:

2. The limitation of the diversion of water under **Permit G-9829** established in the Final Order approving an Extension of Time for **Permit G-9829** (*issued on November 14, 2014*) remains unchanged. Subject to other limitations or conditions of the permit, therefore, the City of Tillamook remains authorized to divert only up to **1.6cfs** (*out of the total permitted 2.7 cfs*) of water under Permit **G-9829**.

Plan Update Schedule:

3. The City of Tillamook shall submit an updated plan meeting the requirements of OAR Chapter 690, Division 086 (effective December 23, 2018) within 10 years and no later than **May 20, 2030**.

Progress Report Schedule:

4. The City of Tillamook shall submit a progress report containing the information required under OAR 690-086-0120(4) by **November 20, 2025**.

Other Requirements for Plan Submittal:

5. The deadline established herein for the submittal of an updated Water Management and Conservation Plan (consistent with OAR Chapter 690, Division 086) shall not relieve the City of Tillamook from any existing or future requirement(s) for submittal of a Water Management and Conservation Plan at an earlier date as established through other final orders of the Department.
