STATE OF OREGON,

County of Marion

} ss.

This is to certify that I have examined the foregoing application and do hereby grant the same, subject to the following limitations and conditions: The appropriation for irrigation purposes shall be limited to one-eightieth of one cu. ft. per sec. for each acre irrigated. The use hereunder shall conform to any reasonable system of rotation ordered by the proper State officers.

The priority date of this permit is Oct. 7, 1912.

The amount of water appropriated shall be limited to the amount which can be applied to beneficial use and not to exceed one-half or its equivalent in cubic feet per second. case of rotation.

Actual construction work shall begin on or before Aug 20 1914

and shall thereafter be prosecuted with reasonable diligence and be completed on or before June 1st, 1915

Complete application of the water to the proposed use shall be made on or before Oct. 1st, 1916

20th August day of 19 13

WITNESS my hand this Attention is called to the fact that the appropriation of the waters of Squaw Creek appear to exceed the low water flow of that stream. This condition may prevent the permittee from securing any water under this permit.
