APPLICATION FOR A PERMIT

To Appropriate the Ground Waters of the State of Oregon

I, E. S. Neville (Name of applicant)	
of 1190 So. 3rd St. Corvallis, Oregon county of Benton	
state of Oregon , do hereby make application for a permit to appropriate the following described ground waters of the state of Oregon. SUBJECT TO EXISTING RIGHTS.	,
If the applicant is a corporation, give date and place of incorporation	
1. Give name of nearest stream to which the well, tunnel or other source of water development is	ŝ
situated Marys River (Name of stream)	
tributary of Willamette River	
2. The amount of water which the applicant intends to apply to beneficial use is cubic feet per second or gallons per minute.	C
3. The use to which the water is to be applied is Irrigation	
en e	
4. The well or other source is located 200 ft. South and 2490 ft Hagt from the land.	
corner of a constant to the section of subdivisions	
Of pouterable give distance and Bearing to section corner.	
If there is more than one well much be described. Use separate sheet if necessary)	
being within the Southwest and analysis of the second of t	
W,M , in the county of $-\omega \in \mathbb{N}^{n+1}$	
5. The Portable Pipe to cover the entire wrea to be applicated mile (Cand or pipe line)	۶
in length, terminating in the Space of Sec. Two	
$R_{ij} = -i W_i M_i$, the proposed location being shown throughout on the accompanying map.	
6. The name of the well or other works is	
DESCRIPTION OF WORKS	
~ 7 . If the flow to be utilized is artesian, the works to be used for the control and conservation of supply when not in use must be described.	e,
Well will be capped, with suction pipe installed permanently.	
An electric pump will be used with disconnecting switch.	
8 The development will consist of One Well having Give number of wells tunnels etc.	а
diameter of 6" inches and an estimated depth of50 jeet. It is estimated that 41	
feet of the well will require Black Pinch casing. Depth to water table is estimated 14
