Permit No. Co. 1695

APPLICATION FOR A PERMIT

To Appropriate the Ground Waters of the State of Oregon

I, Prentice C. Petty (Name of applicant)						
of Route 1, Box 344-J, Central Point; , county of Jackson						
tate of						
1. Give name of nearest stream to which the well, tunnel or other source of water development is						
situated Plackwell Creek						
(Name of stream) tributary of Logue Kiver						
2. The amount of water which the applicant intends to apply to beneficial use is cubic feet per second or gallons per minute.						
3. The use to which the water is to be applied is inrigation.						
4. The well or other source is located 1770 ft. No and 1000 ft. From the ZE corner of Section 43 (Section or subdivision)						
(Section or subdivision) (If preferable, give distance and bearing to section corner)						
being within the SE4 NG4 SW of Sec. 43 , Twp. 76 S., R. 2						
W. M., in the county of						
5. The pineline to be and foot						
in length, terminating in the Section of Section of Section 70 30 30 30 30 30 30 30 30 30 30 30 30 30						
R						
6. The name of the well or other works is Felly, 1911						
DESCRIPTION OF WORKS						
7. If the flow to be utilized is artesian, the works to be used for the control and conservation of the supply when not in use must be described.						
8. The development will consist of One Well (Sump) having a						
diameter of 30.1×125.1 and an estimated depth of 36 feet. It is estimated that						
feet of the well will require none casing. Depth to water table is estimated 10 1900.
