Permit No. G-

APPLICATION FOR A PERMIT

To Appropriate the Ground Waters of the State of Oregon

(Name or applicant)
of CAMBY OREGON RED 3 BOXY39, county of CHACKMAS
state of OREGOM, do hereby make application for a permit to appropriate the following described ground waters of the state of Oregon, SUBJECT TO EXISTING RIGHTS:
If the applicant is a corporation, give date and place of incorporation
1. Give name of nearest stream to which the well, tunnel or other source of water development is
situated IVILLIAMETTE RIVER (Name of stream)
tributary of
2. The amount of water which the applicant intends to apply to beneficial use is cubic feet per second or gallons per minute.
3. The use to which the water is to be applied is 1871677101
4. The well or other source is located 445 ft. N and 2548 ft. W from the 5 =
corner of SECTION FIRE 28
(Section or subdivision)
(If preferable, give distance and bearing to section corner)
(If there is more than one we'', each must be described. Use separate sheet if necessary)
being within the SW 14 SE 14 of Sec. 28 Twp. 3 SOUTHR / EAS.
W. M., in the county of CLACKM 175
5 71.
5. The to be miles
(Canal or pipe line)
in length, terminating in the
in length, terminating in the of Sec, Twp. R W. M., the proposed location being shown throughout on the accompanying map.
in length, terminating in the
in length, terminating in the (Smallest legal subdivision) of Sec., Twp. R W. M., the proposed location being shown throughout on the accompanying map. 6. The name of the well or other works is DESCRIPTION OF WORKS 7. If the flow to be utilized is artesian, the works to be used for the control and conservation of the supply when not in use must be described.
