Permit No. G-...G...3416...

APPLICATION FOR A PERMIT

To Appropriate the Ground Waters of the State of Oregon

I, 1ra and Maryan Beckler (Name of applicant)
of
state of, do hereby make application for a permit to appropriate the
following described ground waters of the state of Oregon, SUBJECT TO EXISTING RIGHTS:
If the applicant is a corporation, give date and place of incorporation
1. Give name of nearest stream to which the well, tunnel or other source of water development is
situated Oak Creek (Name of stream)
2. The amount of water which the applicant intends to apply to beneficial use is cubic feet per second or200 gallons per minute.
3. The use to which the water is to be applied isIrrigation
S. 44° W. 14 chains
4. The well or other source is located
4. The well or other source is located ft and ft from the NE corner of S. 21, T. 11 S., R. 2 W. (Section or subdivision)
(If preferable, give distance and bearing to section corner)
(If preferable, give distance and bearing to section corner)
(If there is more than one well, each must be described. Use separate sheet if necessary) being within the NE% of NE% of Sec. 21 , Twp. 11 S , R. 2 W
W. M., in the county of Linn
5. The main pipe line to be 600 feet miles
in length, terminating in the NE% of NE% of Sec. 21, Twp. 11 S (Smallest legal subdivision)
R W. M., the proposed location being shown throughout on the accompanying map.
6. The name of the well or other works is . Beckler No. 1
DESCRIPTION OF WORKS
7. If the flow to be utilized is artesian, the works to be used for the control and conservation of the supply when not in use must be described.
8. The development will consist of one pump well having a
diameter of8 inches and an estimated depth of
feet of the well will require steel casing. Depth to water table is estimated (Kind) (Feet)
