APPLICATION FOR A PERMIT

CERTIFICATE NO. 43668

To Appropriate the Ground Waters of the State of Oregon

I, Edward E. and Florence C. Roberts
(Name of applicant)
of Rt. 3, Box 686, Albany , county of Linn (Postoffice Address)
state ofQregon, do hereby make application for a permit to appropriate the following described ground waters of the state of Oregon, SUBJECT TO EXISTING RIGHTS:
If the applicant is a corporation, give date and place of incorporation
1. Give name of nearest stream to which the well, tunnel or other source of water development is
situated Calapooia River (Name of stream)
(Name of stream)
tributary of Willamette River
2. The amount of water which the applicant intends to apply to beneficial use is cubic feet per second or
3. The use to which the water is to be applied is
S. 77° 50' W. 1010 feet 4. The well or other source is located ft and ft from theNE
corner of SE¼ of S. 15 (Section or subdivision)
(If preferable, give distance and bearing to section corner)
(If there is more than one well, each must be described. Use separate sheet if necessary) being within the NEX of SEX of Sec. 15 , Twp. 11.5 , R. 4 W ,
W. M., in the county ofLinn
5. The <u>main pipe line</u> to be <u>400</u> feet miles
in length, terminating in the NW% of SE% and NE% of SE% of Sec15, Twp1_B, (Smallest legal subdivision)
R
6. The name of the well or other works is Roberts No. 1
DESCRIPTION OF WORKS
7. If the flow to be utilized is artesian, the works to be used for the control and conservation of the supply when not in use must be described.
8. The development will consist of one pump well having a
diameter of8 inches and an estimated depth of58 feet. It is estimated that58
feet of the well will require casing. Depth to water table is estimated25
