Permit No. G-.....G....3980.

APPLICATION FOR A PERMIT

To Appropriate the Ground Waters of the State of Oregon

-I, Roy B. AKET YELDOVED - JTC CLAUSHTY (Name of applicant)
of SALEM OTEON, (Name of applicant) (Name of applicant) (Name of applicant)
state of, do hereby make application for a permit to appropriate the following described ground waters of the state of Oregon, SUBJECT TO EXISTING RIGHTS:
If the applicant is a corporation, give date and place of incorporation
1. Give name of nearest stream to which the well, tunnel or other source of water development
situated LABISH GYANAGE DITCH (Name of stream)
tributary of
2. The amount of water which the applicant intends to apply to beneficial use is cub feet per second or gallons per minute.
3. The use to which the water is to be applied is 17-719A Jion
4. The well or other source is located ft and ft from the from the
corner of(Section or subdivision)
2067.00 feet N.51° 41'W. from the Southeast corner of the Sanford Stephens
(If preferable, give distance and bearing to section corner) Donation Land Claim No. 37
(If there is more than one well, each must be described. Use separate sheet if necessary)
being within the SW $\frac{1}{4}$ of the NW $\frac{1}{4}$ of Sec. 32 , Twp. 6 S , R. 2 W
W. M., in the county of Marion
5. The to be mil
in length, terminating in the of Sec of Sec
R, W. M., the proposed location being shown throughout on the accompanying map.
6. The name of the well or other works is
DESCRIPTION OF WORKS
7. If the flow to be utilized is artesian, the works to be used for the control and conservation of the supply when not in use must be described.
