CERTIFICATE NO. 42218 64094

Permit No. G- G 4147

APPLICATION FOR A PERMIT

To Appropriate the Ground Waters of the State of Oregon

I, A. E. M. C. Pa lactos (Name of applicant)
of Rt. 1 Box 127 Aurora (Name of applicant), county of Marion
state of, do hereby make application for a permit to appropriate the following described ground waters of the state of Oregon, SUBJECT TO EXISTING RIGHTS:
If the applicant is a corporation, give date and place of incorporation
1. Give name of nearest stream to which the well, tunnel or other source of water development
situated Senecal Cr (Name of stream)
tributary of
2. The amount of water which the applicant intends to apply to beneficial use is cub feet per second or gallons per minute.
3. The use to which the water is to be applied is Irris & Ilris
(4. The well or other source is located 350. ft. South and 1550 ft. East from the 4. (N. or S.) corner on Mest boundary of Section 30. (Section or subdivision)
(Section or subdivision)
(If preferable, give distance and bearing to section corner)
(If there is more than one well, each must be described. Use separate sheet if necessary)
being within the N. E. 40 + S. W. 4 of Sec. 90, Twp. 45, R. IW
W. M., in the county of Mar 10 n
5. The to be mil
in length, terminating in the
R
6. The name of the well or other works is .
DESCRIPTION OF WORKS
7. If the flow to be utilized is artesian, the works to be used for the control and conservation of the supply when not in use must be described.
·····
8. The development will consist of
diameter of
feet of the well will require 5 + e casing. Depth to water table is estimated (Kind)

9. (a) G				
headgate. At he	eadgate: width on to	op (at water lin	пе)	feet; width on botton
