CHRIS L. WHEELER

STATE ENGINEER

By CAULI L. WHEELER

ASSISTANT

County of Marion,

This is to certify that I have examined the foregoing application and do hereby grant the same, SUBJECT TO EXISTING RIGHTS and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to be	neficial use and
shall not exceed0.22 cubic feet per second measured at the point of diversion f	rom the well or
source of appropriation, or its equivalent in case of rotation with other water users, from .a.:	

The use to which this water is to be applied is irrigation and supplemental i	
If for irrigation, this appropriation shall be limited to1/80t.h of one cubic	•
or its equivalent for each acre irrigated and shall be further limited to a diversion of not to a	exceed .2\frac{1}{2}
acre feet per acre for each acre irrigated during the irrigation season of each year; PROVI	ded further
that the right allowed herein shall be limited to any deficiency in the	available
supply of any prior right existing for the same land and shall not exce	ed the
······································	***************************************
The well shall be cased as necessary in accordance with good practice and if the fine works shall include proper capping and control valve to prevent the waste of ground under the works constructed shall include an air line and pressure gauge or an access portine, adequate to determine water level elevation in the well at all times. The permittee shall install and maintain a weir, meter, or other suitable measuring detected a complete record of the amount of ground water withdrawn.	low is artesian vater. for measuring
The priority date of this permit is July 23, 1968	
Actual construction work shall begin on or before March 11, 1970	and shall
thereafter be prosecuted with reasonable diligence and be completed on or before Octob	er 1, 19.70
Complete application of the water to the proposed use shall be made on or before Octo	ber 1, 19 71
WITNESS my hand this lith day of March 169
