By COMMENT STATE INGINEER
BY W. Jehousek

Larry W. Jehousek

County of Marion,

This is to certify that I have examined the foregoing application and do hereby grant the same, SUBJECT TO EXISTING RIGHTS and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial u	
all not exceed	
arce of appropriation, or its equivalent in case of rotation with other water users, from two wells,	
43 cfs from well No. 1 and 0.38 cfs from well No. 2	1.
The use to which this water is to be applied isirrigation	***********
If for irrigation, this appropriation shall be limited to1/80 of one cubic foot per	second
its equivalent for each acre irrigated and shall be further limited to a diversion of not to exceed	2
e feet per acre for each acre irrigated during the irrigation season of each year; and shall be	
rther limited to appropriation of water only to the extent that it does not	*********
pair or substantially interfere with existing surface water rights of others	4
······································	******

	••••••••
shall be subject to such reasonable rotation system as may be ordered by the proper state office	
The well shall be cased as necessary in accordance with good practice and if the flow is ar works shall include proper capping and control valve to prevent the waste of ground water.	tesian
The works constructed shall include an air line and pressure gauge or an access port for mea-	suring
e, adequate to determine water level elevation in the well at all times. The permittee shall install and maintain a weir, meter, or other suitable measuring device, and	l chall
p a complete record of the amount of ground water withdrawn.	• 3/14-•
The priority date of this permit is May 7, 1969	/
	l shall
reafter be prosecuted with reasonable diligence and be completed on or before October 1, 19	
Complete application of the water to the proposed use shall be made on or before October 1, 19	
WITNESS my hand this 2nd day of February / 19 70	
WIINESS my nana this and of 1002 day of 10
