

## Permit No. G. G 5735

APPLICATION FOR A PERMIT

## To Appropriate the Ground Waters of the State of Oregon

I, MERLE +logg
of HALFWAY, RT1, BOX 33, county of BAKEIZ,
(* ***********************************
state of CEGON, do hereby make application for a permit to appropriate the following described ground waters of the state of Oregon, SUBJECT TO EXISTING RIGHTS:
If the applicant is a corporation, give date and place of incorporation
1. Give name of nearest stream to which the well, tunnel or other source of water development is situated
(Name of stream)
tributary of SNAKE 2
2. The amount of water which the applicant intends to apply to beneficial use is Cubic feet per second or gallons per minute.
3. The use to which the water is to be applied is Trygation 5-6PPLIEM///TA
4. The well or other source is located 40 ft. 5 and 2 ft. 6 from the 100 (N. or S.)
corner of SE/L Sulf (Section or subdivision)
(If preferable, give distance and bearing to section corner)
being within the SE' See See of Sec. 36 Two. 7 SR USEW
W. M., in the county of DUKEC
5. The to be miles
in length, terminating in the
R, W. M., the proposed location being shown throughout on the accompanying map.
6. The name of the well or other works is
DESCRIPTION OF WORKS
7. If the flow to be utilized is artesian, the works to be used for the control and conservation of the supply when not in use must be described.
TILE DEAIN 2'-4' deep and 1600'
Long in the Nwill Swill sec 36
8. The development will consist of
diameter of feet. It is estimated that
feet of the well will requirecasing. Depth to water table is estimated(Kind)
