

Permit No. G- G 5834

APPLICATION FOR A PERMIT

CERTIFICATE NO. 46602

To Appropriate the Ground Waters of the State of Oregon

I, Cecil E. Roth (Name of applicant)
of Rt 2, Box 268 Silverton 97381 , county of Marion (Postoffice Address)
state of
joindaing described ground waters of the state of Oregon, SOBJECT TO EXISTING RIGHTS:
If the applicant is a corporation, give date and place of incorporation
1. Give name of nearest stream to which the well, tunnel or other source of water development is
situatedunnamed creek(Name of stream)
tributary of Pudding
2. The amount of water which the applicant intends to apply to beneficial use is0.5 cubi feet per second or gallons per minute.
3. The use to which the water is to be applied isIrrigation
4. The well or other source is located520 ft
corner ofSection 12(Section or subdivision)
ullet
(If preferable, give distance and bearing to section corner)
(If there is more than one well, each must be described. Use separate sheet if necessary)
being within the Nt of SE of SE
W. M., in the county of Marion
5. The to be mile
in length, terminating in the
R, W. M., the proposed location being shown throughout on the accompanying map.
6. The name of the well or other works is
DESCRIPTION OF WORKS
7. If the flow to be utilized is artesian, the works to be used for the control and conservation of the
supply when not in use must be described.
49
8. The development will consist ofhaving (Give number of wells, tunnels, etc.)
diameter of
feet of the well will require
