

Permit No. G- G 6335

APPLICATION FOR A PERMIT

To Appropriate the Ground Waters of the State of Oregon

I,	Roger R. Welty (Name of applicant)
	Bit 133; Gervais , county of Marin,
state of	nd - 97026 do hereby make application for a permit to appropriate the active ground waters of the state of Oregon, SUBJECT TO EXISTING RIGHTS:
If the a	applicant is a corporation, give date and place of incorporation
	e name of nearest stream to which the well, tunnel or other source of water development is
situated	Willame +18 River (Name of stream)
***************************************	tributary of
2. The feet per secon	amount of water which the applicant intends to apply to beneficial use is O.S. cubic and or gallons per minute.
3. The	use to which the water is to be applied is 18719 at on of crops
4. The	well or other source is located 750 ft. S and 10 ft. E from the My Section 32 (Section or subdivision)
•	(Section or subdivision)
	(If preferable, give distance and bearing to section corner)
	(If there is more than one well, each must be described. Use separate sheet if necessary) the NWY of NETY of Sec. 32, Twp. 55, R. 24,
W. M., in the	county of
5. The	(Canal or pipe line) to be
	minating in the, Twp, Twp,
R	, W. M., the proposed location being shown throughout on the accompanying map.
6. The	name of the well or other works is
	DESCRIPTION OF WORKS
7. If th supply when t	ne flow to be utilized is artesian, the works to be used for the control and conservation of the not in use must be described.
	development will consist of having a having a
	inches and an estimated depth of 123 feet. It is estimated that 123
_	ell will require
