Permit No.:

Permit to Appropriate the Public Waters of the State of Oregon

This is to certify that I have examined the foregoing application and do hereby grant the same, SUBJECT TO EXISTING RIGHTS INCLUDING THE EXISTING MINIMUM FLOW POLICIES ESTAB-LISHED BY THE WATER POLICY REVIEW BOARD and the following limitations and conditions:

	The right herein granted is limited to the amount of water which can be applied to beneficial use and
si	hall not exceed0.03 cubic feet per second measured at the point of diversion from the
w	vell or source of appropriation, or its equivalent in case of rotation with other water users, fromaWe.l.l
•••	The use to which this water is to be applied is filbert cleaning plant.
√* 	If for irrigation, this appropriation shall be limited to
	econd or its equivalent for each acre irrigated and shall be further limited to a diversion of not to exceed
, 4 	acre feet per acre for each acre irrigated during the irrigation season of each year;
•••	
. •••	
•••	
	AND THE RESERVE OF THE PARTY OF
	nd shall be subject to such reasonable rotation system as may be ordered by the proper state officer.
	The well shall be constructed in accordance with the General Standards for the Construction and Maintenance of Water Wells in Oregon.
	The works constructed shall include an air line and pressure gauge or an access port for measuring line, dequate to determine water level elevation in the well at all times.
	The permittee shall install and maintain a weir, meter, or other suitable measuring device, and shall eep a complete record of the amount of ground water withdrawn.
	The priority date of this permit is August 19, 1977
	Actual construction work shall begin on or before December 2, 1978 and shall
tì	hereafter be prosecuted with reasonable diligence and be completed on or before October 1, 19.79
	Complete application of the water to the proposed use shall be made on or before October 1, 19.89
	WITNESS my hand this 2nd day of December , 19 77
