## Permit to Appropriate the Public Waters of the State of Oregon

This is to certify that I have examined the foregoing application and do hereby grant the same, SUBJECT TO EXISTING RIGHTS INCLUDING THE EXISTING MINIMUM FLOW POLICIES ESTABLISHED BY THE WATER POLICY REVIEW BOARD and the following limitations and conditions:

The right herein granted is limited to the amount of water which	ch can be applied to beneficial use and
shall not exceed	sured at the point of diversion from the
well or source of appropriation, or its equivalent in case of rotation with	other water users, from a well.
innigation	
The use to which this water is to be applied is irrigation.	
If for irrigation, this appropriation shall be limited to	/80th of one cubic foot per
second or its equivalent for each acre irrigated and shall be further	limited to a diversion of not to exceed
3 acre feet per acre for each acre irrigated during the in	rrigation season of each year;
interform from the production of the production	
and shall be subject to such reasonable rotation system as may be The well shall be constructed in accordance with the Genera Maintenance of Water Wells in Oregon. The works constructed shall include an air line and pressure gau adequate to determine water level elevation in the well at all times. The permittee shall install and maintain a weir, meter, or othe keep a complete record of the amount of ground water withdrawn.	l Standards for the Construction and age or an access port for measuring line, r suitable measuring device, and shall
The priority date of this permit is	ay 18, 1978
Actual construction work shall begin on or before	· · · · · · · · · · · · · · · · · · ·
thereafter be prosecuted with reasonable diligence and be completed	on or before October 1, 1979
Complete application of the water to the proposed use shall be made	de on or before October 1, 1980
WITNESS my hand this16th day of	ugust, 19. 78.

James Slum
Water Resources Director
