## Permit to Appropriate the Public Waters of the State of Oregon

This is to certify that I have examined the foregoing application and do hereby grant the same, SUBJECT TO EXISTING RIGHTS INCLUDING THE EXISTING MINIMUM FLOW POLICIES ESTABLISHED BY THE WATER POLICY REVIEW BOARD and the following limitations and conditions:

The right herein granted is limited to the amount of wa	ter which can be applied to beneficial use and
shall not exceed	nd measured at the point of diversion from the
well or source of appropriation, or its equivalent in case of rotation	on with other water users, from two wells;
being 0.34 c.f.s. from Well #1, and 2.50 c.f.s. f	rom Well #4.
The use to which this water is to be applied is irrigation	on and supplemental irrigation.
The same of the sa	
If for irrigation, this appropriation shall be limited to	
second or its equivalent for each acre irrigated and shall be	further limited to a diversion of not to exceed
3 acre feet per acre for each acre irrigated during	g the irrigation season of each year;
provided further that the right allowed herein s	hall be limited to any deficiency
in the available supply of any prior right exist	ing for the same land and shall
not exceed the limitation allowed herein,	
and shall be subject to such reasonable rotation system as m The well shall be constructed in accordance with the Maintenance of Water Wells in Oregon.  The works constructed shall include an air line and press adequate to determine water level elevation in the well at all The permittee shall install and maintain a weir, meter, where a complete record of the amount of ground water withdis	General Standards for the Construction and ure gauge or an access port for measuring line, times.  or other suitable measuring device, and shall
The priority date of this permit is	April 4, 1978
Actual construction work shall begin on or before	October 5, 1979 and shall
thereafter be prosecuted with reasonable diligence and be comp	vleted on or before October 1, 19.80
Complete application of the water to the proposed use shall	
WITNESS my hand this5th day of	

James Leum Water Resources Director
