## Permit to Appropriate the Public Waters of the State of Oregon

This is to certify that I have examined the foregoing application and do hereby grant the same, SUBJECT TO EXISTING RIGHTS INCLUDING THE EXISTING MINIMUM FLOW POLICIES ESTABLISHED BY THE WATER POLICY REVIEW BOARD and the following limitations and conditions:

The right herein granted is limited to the amount	of water which can be applied to beneficial use and
shall not exceed0.06 cubic feet pe	r second measured at the point of diversion from the
well or source of appropriation, or its equivalent in case of	rotation with other water users, from a well.
The use to which this water is to be applied isirr	igation and supplemental irrigation.
If for irrigation, this appropriation shall be limit	red to 1/80th of one cubic foot per
second or its equivalent for each acre irrigated and sh	all be further limited to a diversion of not to exceed
2½ acre feet per acre for each acre irrigated provided further that the right allowed her in the available supply of any prior right not exceed the limitation allowed herein, ation of water only to the extent that it fere with existing surface water rights of	rein shall be limited to any deficiency existing for the same land and shall and shall be further limited to appropri- does not impair or substantially inter-
Maintenance of Water Wells in Oregon. The works constructed shall include an air line and adequate to determine water level elevation in the well The permittee shall install and maintain a weir, keep a complete record of the amount of ground water	th the General Standards for the Construction and depressure gauge or an access port for measuring line, at all times.  meter, or other suitable measuring device, and shall withdrawn.
The priority date of this permit is	June 8, 1978
Actual construction work shall begin on or before	reOctober 5, 1979 and shall
thereafter be prosecuted with reasonable diligence and	be completed on or before October 1, 1980
Complete application of the water to the proposed us	se shall be made on or before October 1, 19.8]
WITNESS my hand this5th day of	October, 19.78
