Remarks: We are just getting started with a small beef operation. Our two cows have produced four heifers. The cows and yearlings are bred. If we can irrigate our pasture we can support these and more. If not, we will have to sell. Therefore we request waiver of 30 day waiting period. Need water now.

This permit, when issued, is for the beneficial use of water. By law, the land use associated with this water use must be in compliance with statewide land-use goals and any local acknowledged land-use plan. It is possible that the land use you propose may not be allowed if it is not in keeping with the goals and the acknowledged plan. Your city or county planning agency can advise you about the land-use plan in your area.
