Remarks: _____

STATE OF OREGON.

PERMIT

County of Marion.

This is to certify that I have examined the foregoing application and do hereby grant the same SUBJECT TO EXISTING RIGHTS and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use and shall not exceed 0.5 cubic feet per second measured at the point of diversion from the well or source of appropriation, or its equivalent in case of rotation with other water users, from Columbia Fruit Growers' Well.

The use to which this water is to be applied is manufacturing.

If for irrigation, this appropriation shall be limited to of one cubic foot per second or its equivalent for each acre irrigated and shall be further limited to a diversion of not to exceed one foot per acre for each acre irrigated during the irrigation season of each year.

The well shall be cased as necessary in accordance with good practice and if the well is artesian the works shall include proper capping and control valve to prevent waste of ground water.

The works constructed shall include an air line and pressure gauge or an access pipe and a water line, adequate to determine water level elevation in the well at

may be ordered by the proper authority
