## Permit to Appropriate the Public Waters of the State of Oregon

This is to certify that I have examined the foregoing application and do hereby grant the same, SUBJECT TO EXISTING RIGHTS INCLUDING THE EXISTING MINIMUM FLOW POLICIES ESTABLISHED BY THE WATER POLICY REVIEW BOARD and the following limitations and conditions:

	The right herein granted is limited to the amount of water which can be applied to beneficial use an
shall	not exceed
well o	or source of appropriation, or its equivalent in case of rotation with other water users, froma well.
	The use to which this water is to be applied is supplemental irrigation.
	If for irrigation, this appropriation shall be limited to
secon	d or its equivalent for each acre irrigated and shall be further limited to a diversion of not to exceed
pro	3 acre feet per acre for each acre irrigated during the irrigation season of each year; vided further that the right allowed herein shall be limited to any deficiency
in	the available supply of any prior right existing for the same land and shall
not	exceed the limitation allowed herein;
	en tradestation of the contract of the contrac
••••••	The final of the property of the property of the party of the party of the property of the property of the party of the pa
••••••	
Main adeq	shall be subject to such reasonable rotation system as may be ordered by the proper state officer.  The well shall be constructed in accordance with the General Standards for the Construction and tenance of Water Wells in Oregon.  The works constructed shall include an air line and pressure gauge or an access port for measuring linuate to determine water level elevation in the well at all times.  The permittee shall install and maintain a weir, meter, or other suitable measuring device, and shall a complete record of the amount of ground water withdrawn.
¥1. 1	The priority date of this permit is August 21, 1980
	Actual construction work shall begin on or before May 29, 1982 and sha
there	after be prosecuted with reasonable diligence and be completed on or before October 1, 1982
	Complete application of the water to the proposed use shall be made on or before October 1, 1983
	WITNESS my hand this 29th day of May , 19 81
