Remarks: It is my intent to ad a poin of
 appropriation for the water right claimed
 under G.R. 1878, 1817. I am informed I cannot
 formally do, so that so I am filing this application
 to make of record the change and protect my current
 development in the event such is not allowed in the final
 adjudication. The application does not waive or abandon
 any vested right to ground
 water that I may have.

This permit, when issued, is for the beneficial use of water. By law, the land use associated with this water use must be in compliance with statewide land-use goals and any local acknowledged land-use plan. It is possible that the land use you propose may not be allowed if it is not in keeping with the goals and the acknowledged plan. Your city or county planning agency can advise you about the land-use plan in your area.
