

**Application for a Reservoir and to
Appropriate Use the Unappropriated
Waters of the State of Oregon**

The Applicant States

Tillamook, Oregon

do hereby make application for a permit to construct the following described reservoir and to store the unappropriated waters of the State of Oregon, subject to

existing rights.

1) If the applicant is a corporation, give date and place of incorporation

1. The name of the proposed reservoir is

TILLAMOOK

2. The name of the stream from which the reservoir is to be filled and the appropriation made is

Oxana Creek

tributary of **Nahcacia Day**

3. The amount of water to be stored is **222,000 Gallons** acre feet

4. The use to be made of the impounded water is

Fish Culture

5. The location of the proposed reservoir will be in Sec.

5

Tp. **2 S., R. 10 W., W. M.** in the county of **Tillamook**

(a) State whether situated in channel of running stream and give character of material at outlet

The dam and reservoir is situated in the bed of the stream

(b) If not in channel of running stream, state how it is to be filled. If through a feed canal, give name and dimensions

6. The dam will be located in

Sec. 5

Sec. 5

Tp. **2 S.** R. **10 W.** W. M. The maximum height will be **6** feet above stream bed or ground

surface on center line of dam. The length on top will be **13** feet; length on

bottom **6 ft** feet; width on top **10** feet; slope of front

of water side **3 to 1**, slope on back **2 to 1**; height of dam above water line

when full **2** feet

A different form of application should be used for the appropriation of stored water to beneficial use. Such forms can be secured without charge, together with instructions, by addressing the State Engineer, Salem, Oregon.

8. The location of intake with dimensions are as follows: around the dam
(State whether over or around the dam)

9. The location of outlet from the proposed reservoir, with character of construction and dimensions, are as follows: by 10" corrugated pipe from bottom of dam in
(State whether through or around the proposed dam)
the center of the stream

10. The area submerged by the proposed reservoir, when full, will be 07 acres, with a maximum depth of water of 6 feet; and approximate mean depth of water 4 feet.

11. The estimated cost of the proposed work is \$ 500.

12. Construction work will begin on or before August 1952

13. Construction work will be completed on or before September 1952

STATE OF OREGON,

County of Marion,

This is to certify that I have examined the foregoing application, together with the accompanying maps and data, and return the same for correction or completion as follows:

In order to retain its priority, this application must be returned to the State Engineer, with corrections, on or before JULY 21, 1952

WITNESS my hand this 20th day of June, 1952
