~~Application for a Reservoir and to
Impound Water for Irrigation
in Oregon~~

(Name of Applicant)

General Point

(Address)

Name of McCormick, do hereby make application for a permit to construct the following proposed reservoir and to store the unappropriated waters of the State of Oregon, subject to existing rights.

If the applicant is a corporation, give date and place of incorporation

1. The name of the proposed reservoir is McCormick Reservoir.

2. The name of the stream from which the reservoir is to be filled and the appropriation made is unappropriated stream.

tributary of Rogue River

3. The amount of water to be stored is 58 acre-feet according to plans 4 feet deep.

4. The use to be made of the impounded water is Irrigation. (Irrigation power, domestic supply, etc.)

5. The location of the proposed reservoir will be in Sec. 24. (Give sections or town to be submerged)

Twp. 36 S., R. 2 W., W. M., in the county of Jackson.

(a) State whether situated in channel of running stream and give character material at outlet
Reservoir will be constructed in semi-running stream w/ a heavy black soil at outlet.

(b) If not in channel of running stream, state how it is to be filled. If through a feed canal, give name and dimensions

6. The dam will be located in SW $\frac{1}{2}$, SW $\frac{1}{4}$.

Sec. 29

Twp. 36 S., R. 2 W., W. M. The maximum height will be 44 feet above stream bed or ground surface on center line of dam. The length on top will be 726 feet; length on bottom 8 feet; width on top 16 feet; slope of front or water side 5 to 1; slope on back 2 to 1; height of dam above water line when full 11 feet.

* A different form of application should be used for the appropriation of stored water to beneficial use. Such form can be obtained without charge, together with instructions, by addressing the State Engineer, Salem, Oregon.

The location of dam, material of which it is to be built, and method of protection from
floods. The dam will be a low and heavy loam wall.
DETERMINATION FROM WAVE ACTION anticipated.

8. The location of wastewater with dimensions are as follows: Around the west end
of dam being approximately 100 feet wide and four feet deep.
The overflow water will flow into another small draw, before returning
to main stream well below the dam.

9. The location of outlet from the proposed reservoir, with character of construction and dimensions
are as follows: Outlet will be through center of dam using 12 inch steel pipe
approximately 125 feet in length with concrete cutoff walls. Will use
a gate type control valve on end of pipe.

10. The area submerged by the proposed reservoir, when full, will be 3.0 ... acres,
with a maximum depth of water of 20 feet and approximate mean depth of water
8.3 ± feet.

11. The estimated cost of the proposed work is \$2,000.00

12. Construction work will begin on or before 1 year from date of priority.

13. Construction work will be completed on or before 2 years from date of priority.

1958
1/11/58

STATE OF OREGON,
County of Marion, ss.

County of Marion.

This is to certify that I have examined the foregoing application, together with the accompanying
maps and data, and return the same for correction or completion as follows:

In order to retain its priority, this application must be returned to the State Engineer, with cor-
rections, on or before 1/15/58.

WITNESS my hand this day of 19

STATE ENGINEER

STATE OF OREGON

County of Marion

This is to certify that I have examined the foregoing application and do hereby grant the same, subject to the following limitations and conditions: the right herein granted is limited to the construction of McCormick Reservoir and the storage of water from an irrigation project, as described under Application No. 27442, Permit No. 21609 for Irrigation.

The right hereunder shall be limited to the storage of 34.0 acre feet.

The priority date of this permit is July 14, 1913.

Actual construction work shall begin on or before December 31, 1913, and shall thereafter be prosecuted with reasonable diligence and be completed on or before

September 1, 1914.

WITNESS my hand this 31st day of December, 1913.
