Reservoir Permit No. **3165**

Application for a Permit to Construct a Reservoir and to Store for Beneficial Use the Unappropriated Waters of the State of Oregon

I, PARK ACRES COMPANY (Name of Applicant)

of 1185 Balaire Dr. NW Salem (Mailing Address)

State of Oregon, do hereby make application for a permit to construct the following described reservoir and to store the unappropriated waters of the State of Oregon, subject to existing rights.

If the applicant is a corporation, give date and place of incorporation 18 August 1960
Salem, Oregon

1. The name of the proposed reservoir is Park's Lake

2. The name of the stream from which the reservoir is to be filled and the appropriation made is Mud Creek

tributary of Rickreall Creek

3. The amount of water to be stored is 1.96 acre feet.

4. The use to be made of the impounded water is stock water pond and duck pond
(Irrigation, power, domestic supply, etc.)

5. The location of the proposed reservoir will be in Sec. 20 (Give sections or townships to be submerged)

Tp. 7 S, R. 4 W, W.M., in the county of Polk

(a) State whether situated in channel of running stream and give character of material at outlet
No

(b) If not in channel of running stream, state how it is to be filled. If through a feed canal, give name and dimensions original channel Mud Creek 3 feet wide first 500 feet below diversion dam 5 feet wide from there onward

6. The dam will be located in NE 1/4 of NE 1/4, Sec. #20
(Smallest legal subdivision)

Tp. 7 S, R. 4 W, W.M. The maximum height will be 1.5 feet above stream bed or ground surface on center line of dam. The length on top will be 10 feet; length on bottom 3 feet; width on top 1/6 feet; slope on front or water side 0; slope on back 0; height of dam above water line when full 3 feet.
(Feet horizontal to 1 vertical) (Feet horizontal to 1 vertical)

* A different form of application should be used for the appropriation of stored water to beneficial use. Such forms can be secured without charge, together with instructions, by addressing the State Engineer, Salem, Oregon.

7. The construction of dam, the material of which it is to be built, and method of protection from waves are as follows: wood, plastic, dirt

8. The location of wasteway with dimensions are as follows: over the top
(State whether over or around the dam)

9. The location of outlet from the proposed reservoir, with character of construction and dimensions, are as follows: NE 1/4 of NE 1/4 Sec 20 T 7 S R 4 W concrete, wood, dirt, plastic
(All dams across natural stream channels must be provided with an outlet conduit, of such capacity and location to pass the normal flow of the stream at any time)

10. The area submerged by the proposed reservoir, when full, will be 1.96 acres, with a maximum depth of water of 2 feet; and approximate mean depth of water 1 feet.

11. The estimated cost of the proposed work is \$ 20

12. Construction work will begin on or before October 20, 1962 Completed

13. Construction work will be completed on or before October 20, 1962 Completed

Dams complete and report is now on file.

STATE ENGINEER

By _____ ASSISTANT

Remarks: This pond has been in existence since 1924. Pond formed by placing splash boards in concrete structure. In fall pond will be used for duck hunting. In spring from 2 to 3 head of stock are run in this property. In summer months Mud Creek is dry. For this reason we plan to fill pond during winter months and apply for no supply to maintain the pond.

STATE OF OREGON, }
County of Marion, } ss.

This is to certify that I have examined the foregoing application and do hereby grant the same, subject to the following limitations and conditions: The right herein granted is limited to the construction of Park's Lake Reservoir and storage of water from Mud Creek for stock water and duck pond; provided further that no water from the natural flow of the stream shall be stored during the period of June 1 to October 31 of each year, and during such period the outflow from the reservoir shall be not less than the inflow.

The right allowed herein for storage for duck pond use shall be subordinate and inferior to all future rights for storage for beneficial consumptive use.

The right hereunder shall be limited to the storage of 1.96 acre feet.

The priority date of this permit is October 29, 1962

Actual construction work shall begin on or before February 15, 1964 and

shall thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 1965.

WITNESS my hand this 15th day of February, 1963.
