STATE ENGINEER

By _____ ASSISTANT

Remarks:

As the river had a discharge of approximately 100 cfs and itself is located in a wooded area the water is running through the woods. The dam is to be built on a small stream, the water is to be used for the maintenance of log pond, and the dam shall be constructed under the supervision of a registered professional engineer.

STATE OF OREGON, }
County of Marion, } ss.

This is to certify that I have examined the foregoing application and do hereby grant the same. subject to the following limitations and conditions: The right herein granted is limited to the construction of San Juan Lumber Co. Pond No. 1 and **Storage** of water from the John Day River to be appropriated under application No. 38092, permit No. 28872, for maintenance of log pond, and the dam shall be constructed under the supervision of a registered professional engineer.

The right hereunder shall be limited to the storage of 17.28 acre feet.

The priority date of this permit is June 3, 1963 for 11.93 a.f. and July 24, 1963 for 5.35 acre feet

Actual construction work shall begin on or before August 9, 1964 and

shall thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 1965.

WITNESS my hand this 9th day of August, 1963.

Chris T. White, L.S.
STATE ENGINEER
