

Application for a Permit to Construct a Reservoir and to Store for Beneficial Use the Unappropriated Waters of the State of Oregon

I, Bureau of Land Management
(State or Agency)

P. O. Box 429, Lakeview
(Mailing Address)

State of Oregon, do hereby make application for a permit to construct the following described reservoir and to store the unappropriated waters of the State of Oregon, subject to existing rights.

If the applicant is a corporation, give date and place of incorporation

1. The name of the proposed reservoir is Flat waterhole

2. The name of the stream from which the reservoir is to be filled and the appropriation made is unnamed stream

tributary of Miller Creek

3. The amount of water to be stored is approximately 3/5 acre feet

4. The use to be made of the impounded water is STOCKWATER

5. The location of the proposed reservoir will be in Sec. 27

Tp. 39 S., R. 13 E., W. M., in the county of Klamath

(a) State whether situated in channel of running stream and give character of material at outlet not located in channel of running stream - Basalt and clay

(b) If not in channel of running stream, state how it is to be filled. If through a feed canal, give name and dimensions by spring run-off

6. The dam will be located in SWNW
(Smallest legal subdivision)

Tp. 39 S., R. 13 E., W. M. The maximum height will be 7 feet above stream bed or ground surface on center line of dam. The length on top will be 40 feet, length on

bottom 10 feet; width on top 8 feet; slope of front

on water side 2-1; slope on back 3-1; height of dam above water line 7 feet horizontal to 1 vertical

when full 4 feet.

A different form of application should be used for the appropriation of stored water to beneficial use. Such forms can be obtained without charge, together with instructions, by addressing the State Engineer, Salem, Oregon.

7. The construction of dam, the material of which it is to be built, and method of protection from waves are as follows: An earth filled dam built and packed by bulldozer at a cost of \$1,000 per cubic yard, with materials found on site.

8. The location of wastewater with dimensions are as follows:

BOTTOM, 2 feet below top of dam
bottom, 2 feet below top of dam

around dam, 10' wide, 3' high

(State whether or not dam will be used for irrigation)

9. The location of outlet from the proposed reservoir, with character of construction and dimensions, are as follows: None

(All dams across natural stream channels must be provided with an outlet conduit of such capacity and location to pass the normal flow of the stream at any time.)

10. The area submerged by the proposed reservoir, when full, will be ~~740~~ 75 acres with a maximum depth of water of 3 feet and approximate mean depth of water

3 feet

11. The estimated cost of the proposed work is \$ 262,100

12. Construction work will begin on or before June 1, 1960

13. Construction work will be completed on or before December 1, 1960

STATE ENGINEER

Remarks: _____

STATE OF OREGON,

County of Marion,

This is to certify that I have examined the foregoing application and do hereby grant the same subject to the following limitations and conditions: The right herein granted is limited to the construction of Flat Waterhole Reservoir and storage of water from an unnamed tributary of Miller Creek for livestock watering purposes, and is subject to the installation and maintenance of an outlet pipe, or to provide other means to evacuate the stored water when determined by the State Engineer to be necessary to satisfy prior downstream rights.

The right hereunder shall be limited to the storage of

375

acres feet.

The priority date of this permit is

April 5, 1960

Actual construction work shall begin on or before

January 7, 1965

and

shall thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 1966.

WITNESS my hand this 7th day of January

. 1964

John T. Walker

STATE ENGINEER

Application No. 67-328521
Revised Permit No. 51-3285

PERMIT

To construct or maintain and/or operate;
or to use their non-proprietary utensils or the
