This is to certify that I have examined the foregoing application, together with the accompanying maps and data, and return the same for

In order to retain its priority, this application must be returned to the State Engineer, with corrections on or before, 19.....

WITNESS my hand this day of, 19.....

STATE ENGINEER

By ASSISTANT

Remarks: Mr. Bill Eagle from the soil Conservation Service has looked this site over and did the enclosed drawing.

This is an excavated pond. Not situated on a running stream. We are not planning to pump into this.

We do have a water right permit No. 26517, Certificate No. 30355 issued to Lloyd Lawyer, who was the former owner of my property.

You have my permission to make minor changes in this application.

Will also give you my phone number 543-2858.

I really don't know how to estimate the time and cost as I will do the work on week-ends and spare time.

L.D. File 33525

STATE OF OREGON, }
County of Marion, } ss.

This is to certify that I have examined the foregoing application and do hereby grant the same, subject to the following limitations and conditions: The right herein granted is limited to the construction of Woods Pond and storage of water from seepage to be appropriated under application No. 44545, permit No. 33118 for fish culture

The right hereunder shall be limited to the storage of 1.0 acre feet.

The priority date of this permit is March 7, 1968

Actual construction work shall begin on or before June 7, 1969 and

shall thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 1970...

WITNESS my hand this 7th day of June, 1968.
