\* Reservoir Permit No. **R 5940**

CERTIFICATE NO. 45254

### Application for a Permit to Construct a Reservoir and to Store for Beneficial Use the Unappropriated Waters of the State of Oregon

I, George O. Tolman  
(Name of Applicant)

of 18787 S. Trillium Way, West Linn,  
(Mailing address) (City)

State of Oregon, 97068, do hereby make application for a permit to construct the following described reservoir and to store the unappropriated waters of the State of Oregon, subject to existing rights.  
(Zip Code)

If the applicant is a corporation, give date and place of incorporation \_\_\_\_\_

1. The name of the proposed reservoir is \_\_\_\_\_

2. The name of the stream from which the reservoir is to be filled and the appropriation made is

Un-named stream (tributary to the Willamette River)

tributary of \_\_\_\_\_

3. The amount of water to be stored is .07 acre feet.

4. The use to be made of the impounded water is fish culture  
(Irrigation, power, domestic supply, etc.)

5. The location of the proposed reservoir will be in Sec. 13 and 24  
(Give sections or townships to be submerged)

Tp. 2S, R. 1E, W.M., in the county of Clackamas

(a) State whether situated in channel of running stream and give character of material at outlet

It is in channel.

(b) If not in channel of running stream, state how it is to be filled. If through a feed canal, give name and dimensions \_\_\_\_\_

6. The dam will be located in SW 1/4 SW 1/4, Sec. 13,  
(Smallest legal subdivision)

Tp. 2S, R. 1E, W.M. The maximum height will be 4 1/2 feet above stream bed or ground

surface on center line of dam. The length on top will be 10 feet; length on

bottom 10 feet; width on top 3 feet; slope on front

or water side \_\_\_\_\_; slope on back \_\_\_\_\_; height of dam above water line  
(Feet horizontal to 1 vertical) (Feet horizontal to 1 vertical)

when full 1 1/2 feet.

\* A different form of application should be used for the appropriation of stored water to beneficial use. Such forms can be secured without charge, together with instructions, by addressing the State Engineer, Salem, Oregon 97310.

R 2010

7. The construction of dam, the material of which it is to be built, and method of protection from waves are as follows: Two logs will be laid & tied together. Dirt and rock will be filled in between and on upstream edge. Grass will be planted on top. Should it be required, a reinforcing by concrete or other material can easily be accomplished on the lower side. No danger to any property would result from a log failure due to the very small volume being stored.

8. The location of wasteway with dimensions are as follows: water will flow over the top. (State whether over or around the dam)

9. The location of outlet from the proposed reservoir, with character of construction and dimensions, are as follows: Water will flow over the <sup>entire</sup> top. This is practical as only a one foot drop is present. Water will flow naturally into channel even under heavy snows in the winter. (All dams across natural stream channels must be provided with an outlet conduit, of such capacity and location to pass the normal flow of the stream at any time)

10. The area submerged by the proposed reservoir, when full, will be 0.5 acres, with a maximum depth of water of 2-2 1/2 feet; and approximate mean depth of water 1 1/2 feet.

11. The estimated cost of the proposed work is \$ 20,00

12. Construction work will begin on or before July 31, 1972

13. Construction work will be completed on or before Sept 15th, 1972

STATE OF OREGON, }  
County of Marion, } ss.

This is to certify that I have examined the foregoing application and do hereby grant the same, subject to the following limitations and conditions: The right herein granted is limited to the construction of a reservoir and the storage of water from an unnamed stream to be appropriated under application No. 48927, permit No. 36642, for fish culture

The right hereunder shall be limited to the storage of 0.1 acre feet.

The priority date of this permit is July 6, 1972

Actual construction work shall begin on or before April 24, 1974 and shall thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 1975.

WITNESS my hand this 24th day of April, 1973.
