Remarks: As the stream is very small in summer, we constructed reservoir to hold some winter run off plus stream water between irrigations. We completed this work last August (1971) without knowing that permit was required. County Watermaster today notified me to submit this application.

STATE OF OREGON, }
County of Marion, } ss.

This is to certify that I have examined the foregoing application and do hereby grant the same, subject to the following limitations and conditions: The right herein granted is limited to the construction of a reservoir and the storage of water from an unnamed stream to be appropriated under application No. 49471, permit No. 37057, for supplemental irrigation.

The right hereunder shall be limited to the storage of 10.5 acre feet.

The priority date of this permit is July 19, 1972

Actual construction work shall begin on or before August 27, 1974 and shall thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 1975.

WITNESS my hand this 27th day of August, 1973.
