

Application for a Permit to Construct a Reservoir and to Store for Beneficial Use the Unappropriated Waters of the State of Oregon

I, Clarence E. Love, Rosa B. Love and Charles H. Colton,
(Name of Applicant)

of Keating, County of Baker
(Postoffice)

State of Oregon, do hereby make application for a permit to construct the following described reservoir and to store the unappropriated waters of the State of Oregon, subject to existing rights.

If the applicant is a corporation, give date and place of incorporation

1. The name of the proposed reservoir is Love Reservoir - Water to be appropriated under Permit No. 1510.

2. The name of the stream from which the reservoir is to be filled and the appropriation made is Love Creek, Lawrence Creek, and East and West Love Creeks, and Ritter Creek, all tributary of Powder River, except Lawrence Creek which is a tributary of Burnt River.

3. The amount of water to be stored is 800 acre feet.

4. The use to be made of the impounded water is 24 and 25, Township 9 South, of Range 42 East of Willamette Meridian.
(Irrigation, power, domestic supply, etc.)

5. The location of the proposed reservoir will be in Sec. _____
(Give sections or townships to be submerged)

(a) State whether situated in channel of running stream and give character of material at outlet
No running stream; outlet consists of steel pipe in concrete form.

(b) If not in channel of running stream, state how it is to be filled. If through a feed canal, give name and dimensions
Through feed canal, ranging from twelve feet to three feet in width at bottom, and from four feet to two feet in depth, called Love Creek Ditch.

6. The dam will be located in Southwest quarter, Sec. 24,
(Smallest legal subdivision)
Tp. 9 S, R. 42 E, W. M. It will be 28 feet in height,
(No. N. or S.) (No. E. or W.)

* A different form of application should be used for the appropriation of stored water to beneficial use. Such forms can be secured without charge, together with instructions, by addressing the State Engineer, Salem, Oregon.

having a length on top of300..... feet; length on bottom200.....
.....feet; width on top20..... feet slope of front or water side.....².....
(Feet horizontal to 1 vertical)
slope on back²/₃.....; height of dam above water line when full
(Feet horizontal to 1 vertical)
.....5.....feet.

7. The construction of dam, the material of which it is to be built, and method of protection from waves are as follows: Rock, gravel and clay, with wire and brush protection from waves. This dam was constructed by ground sluice.

8. The location of wasteway with dimensions are as follows: Wasteway is around dam through solid rock, 20 feet in width by 4 feet in depth.
(State whether over or around the dam)

9. The location of outlet from the proposed reservoir, with character of construction and dimensions, are as follows: Ten inch steel pipe laid in cement through dam.
(State whether through or around the proposed dam)

10. The area submerged by the proposed reservoir, when full, will be100..... acres, with a maximum depth of water of²⁵..... feet; and approximate mean depth of water⁸..... feet.

11. The estimated cost of the proposed work is \$..... See below.....

12. Construction work will begin on or before See below.....

13. Construction work will be completed on or before See below.....

Duplicate maps of the proposed reservoir and storage works, prepared in accordance with the rules of the State Water Board, accompany this application.

(Name of applicant)

Rosa B. Love

Charles H. Colton

Signed in the presence of us as witnesses:

(1) John Doe Baker, Oregon
(Name) (Address of witness)

(2) Fernand H. Fuchs Baker, Oregon
(Name) (Address of witness)

Remarks: The above described reservoir and canal has been fully completed,
and this permit is asked for storage in compliance with the terms of
Section 5727, Oregon Laws. This reservoir and system was built under Water
Permit No. 1510.

STATE OF OREGON, }
County of Marion, } ss.

This is to certify that I have examined the foregoing application, together with the accompanying
maps and data, and return the same for correction or completion as follows:

Completion and maps

In order to retain its priority, this application must be returned to the State Engineer, with correc-
tions, on or before June 20th, 1928.

WITNESS my hand this 18th day of May, 1928.

Rhea Luper

HB

State Engineer.

STATE OF OREGON, }
County of Marion, } ss.

This is to certify that I have examined the foregoing application and do hereby grant the same, sub-
ject to the following limitations and conditions:

The right herein granted is limited to the construction of Love Reservoir for
storage of water from Love Creek, Lawrence Creek, East and West Love Creeks,
and Ritter Creek, to be appropriated under Permit No. 1510.

The right hereunder shall be limited to the storage of 800 acre feet.

The priority date of this permit is January 30, 1928

Actual construction work shall begin on or before January 10, 1930

and shall thereafter be prosecuted with reasonable diligence and be completed on or before
October 1, 1931.

WITNESS my hand this 10th day of January, 1929.

RIEHA LUPER
