## Application for a Permit to Construct a Reservoir and to Store for Beneficial Use the Unappropriated Waters of the State of Oregon

|                     | I, Ida M. Eyre   |
|---------------------|--|
|                     | (Name of applicant)  |
| of<br>S <b>en</b> d | 2093 Mill St., Salem , County of Marion notices, etc. (Post office) to Raymond L. Andrews, Box 228, RR #5, Salem, Oregon     |
| State               | of <u>Oregon</u> , do hereby make application for a permit to construct the  |
|                     | ring described reservoir and to store the unappropriated waters of the State of Oregon, subject to                           |
| existi              | ng rights.   |
| -                   | If the applicant is a corporation, give date and place of incorporation  |
|                     | 1. The name of the proposed reservoir is   |
|                     | 1. The name of the proposed reservoir is   |
|                     | 2. The name of the stream from which the reservoir is to be filled and the appropriation made i  Unnamed                     |
| tribut              | ary of Pudding River   |
|                     | 3. The amount of water to be stored is acre feet.  |
|                     | 4. The use to be made of the impounded water is  |
|                     | 5. The location of the proposed reservoir will be in Sec. 20, T. 7 S., R. 1 W.  (Give sections or townships to be submerged) |
|                     | (a) State whether situated in channel of running stream and give character of material at outle                              |
|                     | in channel   |
|                     |  |
| name                | (b) If not in channel of running stream, state how it is to be filled. If through a feed canal, giv                          |
|                     |  |
|                     | 6. The dam will be located in $SW_{4}^{\frac{1}{2}}SW_{4}^{\frac{1}{2}}$ (Smallest legal subdivision), Sec. 20               |
| <i>Tp.</i>          | 7 S 1 W. W. M. It will be 8 feet in height   |

<sup>\*</sup> A different form of application should be used for the appropriation of stored water to beneficial use. Such forms can be secured without charge, together with instructions, by addressing the State Engineer, Salem, Oregon.

| having a length on top of       | 100                      | feet; length on bottom 50                                 |
