This permit, when issued, is for the beneficial use of water. By law, the land use associated with this water use must be in compliance with statewide land-use goals and any local acknowledged land-use plan. It is possible that the land use you propose may not be allowed if it is not in keeping with the goals and the acknowledged plan. Your city or county planning agency can advise you about the land-use plan in your area.

**Permit to Construct a Reservoir
and Store for Beneficial Use the Public Waters
of the State of Oregon**

This is to certify that I have examined the foregoing application and do hereby grant the same subject to the following limitations and conditions. The right herein granted is limited to the construction of two reservoirs and storage of water from Millard Branch to be appropriated under Application 61282, Permit 45651, for fish enhancement and livestock water, being 0.20 acre-foot in each reservoir.

The right hereunder shall be limited to the storage of 0.40 acre feet.

The priority date of this permit is March 25, 1981

Actual construction work shall begin on or before April 30, 1982 and shall thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 1983.

WITNESS my hand this 30th day of April, 1981

Water Resources Director
