STATE OF OREGON, County of Marion. } ss.

This is to certify that I have examined the foregoing application and do hereby grant the same, subject to the following limitations and conditions: The appropriation for irrigation purposes shall be limited to one-eightieth of one cu. ft. per sec. for each acre irrigated. The use hereunder shall conform to any reasonable rotation system ordered by the proper State officers. The priority date of this permit is January 8, 1912.

The amount of water appropriated shall be limited to the amount which can be applied to beneficial use and not to exceed 19/100 (0.19) cubic feet per second. or its equivalent in case of rotation.

Actual construction work shall begin on or before February 14, 1913 and shall thereafter be prosecuted with reasonable diligence and be completed on or before June 1, 1914

Complete application of the water to the proposed use shall be made on or before October 1, 1914

WITNESS my hand this 14th day of February, 1912

John H Lewis State Engineer.
