STATE OF OREGON, County of Marion, ss.

PERMIT

This is to certify that I have examined the foregoing application and do hereby grant the same, subject to the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use measured at the point of diversion from the stream, and shall not exceed 1.0 cubic feet per second, or its equivalent in case of rotation with other water users, from Second Periwinkle or Cox Creek

The use to which this water is to be applied is fire protection, sluicing and washing in corrals and plant.

If for irrigation, this appropriation shall be limited to *** of one cubic foot per second or its equivalent for each acre irrigated and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The priority date of this permit is September 29, 1932

Actual construction work shall begin on or before December 31, 1933 and shall thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 1934

Complete application of the water to the proposed use shall be made on or before October 1, 1935

WITNESS my hand this 31st day of December, 1932
