\$16.00

STATE OF OREGON, } ss. County of Marion, }

This is to certify that I have examined the foregoing application and do hereby grant the same, subject to the following limitations and conditions: If for irrigation, this appropriation shall be limited

to one-eightieth of one cubic foot per second, or its equivalent, for each acre irrigated, and shall be subject to one rotation system as may be ordered by the proper State Officer. shall not exceed three acre feet per acre throughout the irrigation season and shall be subject to such reasonable rotation system as may be ordered by the proper State Officer.

The right herein granted is limited to the amount of water which can be applied to beneficial use and shall not exceed 0.5 cubic feet per second, measured at the point of diversion from the stream, or its equivalent in case of rotation with other water users, from Paddy Lot springs. The use to which this water is to be applied is irrigation and domestic.

The amount of water appropriated shall be limited to the amount which can be applied to beneficial use and not to exceed 0.5 cubic feet per second, or its equivalent in case of rotation. The priority date of this permit is February 22, 1933

Actual construction work shall begin on or before April 15, 1934 and shall thereafter be prosecuted with reasonable diligence and be completed on or before

Oct. 1, 1935 Extended to Oct. 1, 1937 Extended to 10-1-40 Extended to Oct. 1, 1942

Complete application of the water to the proposed use shall be made on or before Oct. 1, 1936. Extended to Oct. 1, 1937 Extended to 10-1-40 Extended to Oct. 1, 1942

WITNESS my hand this 15th day of April, 1933

CHAS. E. STRICKLIN

STATE ENGINEER.

Permits for power development are subject to the limitation of franchise as provided in Section 5728, Oregon Laws, and the payment of annual fees as provided in Section 5803, Oregon Laws.
