PERMIT

STATE OF OREGON, }
County of Marion, } ss.

This is to certify that I have examined the foregoing application and do hereby grant the same,
subject to the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use
measured at the point of diversion from the stream,
and shall not exceed 0.25 cubic feet per second, or its equivalent in case of rotation with other
water users, from two sloughs

The use to which this water is to be applied is irrigation

If for irrigation, this appropriation shall be limited to 1/80th of one cubic foot per
second or its equivalent for each acre irrigated and shall be subject to such reasonable rotation system
as may be ordered by the proper state officer.

The priority date of this permit is May 22, 1933

Actual construction work shall begin on or before July 20, 1934 and shall
thereafter be prosecuted with reasonable diligence and be completed on or before
Oct. 1, 1935

Complete application of the water to the proposed use shall be made on or before
Oct. 1, 1936

WITNESS my hand this 20th day of July, 1933

CHAS. E. STRICKLIN

STATE ENGINEER

Permits for power development are subject to the payment of annual fees as provided in section 47-1701, Oregon Code 1930.
