PERMIT

This is to certify that I have examined the foregoing application and do hereby grant the same, subject to the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use and shall not exceed 0.25 cubic feet per second, measured at the point of diversion from the stream, or its equivalent in case of rotation with other water users, from waste water from the Farmers and Big Bend Irrigation Ditches.

The use to which this water is to be applied is Irrigation

If for irrigation, this appropriation shall not exceed 1 acre-foot per acre during any thirty-day period during the irrigation season from May 1, to October 1, and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The priority date of this permit is October 25, 1933

Actual construction work shall begin on or before December 16, 1934 and shall thereafter be prosecuted with reasonable diligence and be completed on or before Oct. 1, 1935

Complete application of the water to the proposed use shall be made on or before Oct. 1, 1936

WITNESS my hand this 16th day of December, 1933

CHAS. E. STRICKLIN

STATE ENGINEER

Permits for power development are subject to the payment of annual fees as provided in section 47-1701, Oregon Code 1980.
