PERMIT

This is to certify that I have examined the foregoing application and do hereby grant the same,
subject to existing rights and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use
and shall not exceed 0.07 cubic feet per second measured at the point of diversion from the
stream, or its equivalent in case of rotation with other water users, from A spring

The use to which this water is to be applied is irrigation and domestic

If for irrigation, this appropriation shall be limited to 1/30th of one cubic foot per
second

and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The priority date of this permit is October 18, 1933

Actual construction work shall begin on or before January 26, 1935 and shall
thereafter be prosecuted with reasonable diligence and be completed on or before
Oct. 1, 1936

Complete application of the water to the proposed use shall be made on or before
Oct. 1, 1937

WITNESS my hand this 26th day of January, 1934

CHAS. E. STRICKLIN
