Robert Krohn
(Signature of applicant)

Hood River, Ore.

Route #1.

Signed in the presence of us as witnesses:

- (1) C. M. Hurlburt, Hood River, Oregon
(Name) (Address of witness)
- (2) Carol Dyrd Hurlburt, Hood River, Oregon
(Name) (Address of witness)

Remarks: This diversion was made five years ago with the understanding that at the low water period, that this water would be released to the users below when necessary. Owing to the increase in the amount of waste and seepage from the East Fork ditch, there has been no complaint relative to this diversion and it is now the intention to apply for a permit for this water, even if only allowed to use this right in the flush period of the irrigation season.

STATE OF OREGON, }
County of Marion, } ss.

This is to certify that I have examined the foregoing application, together with the accompanying maps and data, and return the same for

In order to retain its priority, this application must be returned to the State Engineer, with corrections on or before, 193.....

WITNESS my hand this day of, 193.....

PERMIT

This is to certify that I have examined the foregoing application and do hereby grant the same, subject to the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use and shall not exceed 0.07 cubic feet per second, measured at the point of diversion from the stream, or its equivalent in case of rotation with other water users, from Neal Creek

The use to which this water is to be applied is Irrigation

If for irrigation, this appropriation shall be limited to 1/80th of one cubic foot per second, or its equivalent, for each acre irrigated, shall not exceed three acre feet per acre throughout the irrigation season from May 1, to October 1, of each year, and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The priority date of this permit is December 27, 1933

Actual construction work shall begin on or before January 26, 1935 and shall thereafter be prosecuted with reasonable diligence and be completed on or before Oct. 1, 1936

Complete application of the water to the proposed use shall be made on or before Oct. 1, 1937

WITNESS my hand this 26th day of January, 1934

CHAS. E. STRICKLIN STATE ENGINEER

Permits for power development are subject to the payment of annual fees as provided in section 47-1701, Oregon Code 1930.
