PERMIT

This is to certify that I have examined the foregoing application and do hereby grant the same, subject to existing rights and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use and shall not exceed 3.0 cubic feet per second measured at the point of diversion from the stream, or its equivalent in case of rotation with other water users, from Alder Creek

The use to which this water is to be applied is placer mining

If for irrigation, this appropriation shall be limited to of one cubic foot per second

and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The priority date of this permit is December 28, 1934

Actual construction work shall begin on or before March 21, 1936 and shall thereafter be prosecuted with reasonable diligence and be completed on or before Oct. 1, 1937.

Complete application of the water to the proposed use shall be made on or before Oct. 1, 1938

WITNESS my hand this 21st day of March, 1935.

CHAS. E. STRICKLIN

STATE ENGINEER
