PERMIT

*This is to certify that I have examined the foregoing application and do hereby grant the same,
subject to existing rights and the following limitations and conditions:*

*The right herein granted is limited to the amount of water which can be applied to beneficial use
and shall not exceed 0.01 cubic feet per second measured at the point of diversion from the
stream, or its equivalent in case of rotation with other water users, from
unnamed spring creek, tributary of Row River*

The use to which this water is to be applied is domestic

*If for irrigation, this appropriation shall be limited to of one cubic foot per
second*

and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The priority date of this permit is February 25, 1935

*Actual construction work shall begin on or before March 22, 1936 and shall
thereafter be prosecuted with reasonable diligence and be completed on or before
Oct. 1, 1937*

*Complete application of the water to the proposed use shall be made on or before
Oct. 1, 1938*

WITNESS my hand this 22nd day of March, 1935.
