PERMIT

This is to certify that I have examined the foregoing application and do hereby grant the same, subject to existing rights and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use and shall not exceed 0.38 cubic feet per second measured at the point of diversion from the stream, or its equivalent in case of rotation with other water users, from

Milk Creek

The use to which this water is to be applied is Irrigation

If for irrigation, this appropriation shall be limited to 1/80th of one cubic foot per second or its equivalent for each acre irrigated and shall be further limited to a diversion of not to exceed 2 1/2 acre feet per acre for each acre irrigated during the irrigation season of each year,

and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The priority date of this permit is July 23, 1935

Actual construction work shall begin on or before September 28, 1936 and shall thereafter be prosecuted with reasonable diligence and be completed on or before

Oct. 1, 1937 Extended to Oct 1, 1938

Complete application of the water to the proposed use shall be made on or before Oct. 1, 1938

WITNESS my hand this 28th day of September, 1935.
