## \*APPLICATION FOR A PERMIT

CENTIFICATE NO. 13696

## To Appropriate the Public Waters of the State of Oregon

I, J. F. McKinlay	(Name of applicant)
of 539 N. Winter St., Salem	, County of Marion
State ofOregon, do	hereby make application for a permit to appropriate the
following described public waters of the State	of Oregon, SUBJECT TO EXISTING RIGHTS:
If the applicant is a corporation, give da	te and place of incorporation
	iation is Unnamed spring (Name of stream) cributary of Willamette
2. The amount of water which the appli	icant intends to apply to beneficial use is 0.05
cubic feet per second(If water is to	be used from white then are course arise quantity from each)
**3. The use to which the water is to be o	applied is Domestic use, use in prune drier and (Irrigation, power, mining, manufacturing, domestic supplies, etc.)
irrigation of domestic garden not exce	eding la acres in area.
4. The point of diversion is located 10	0 ft. S and 800 ft. W from the NE (E. or W.)
4	S. R. 4 W.W.M. (Section or subdivision)
(If preferable, give di	stance and bearing to section corner)
•	on, each must be described. Use separate sheet if necessary)
being within the SE <sub>4</sub> SW <sub>4</sub> (Give smallest legal subdiv	of Sec. 35, Tp. 6 S, (N. or S.)
R. 4 W , $W$ , $W$ , in the county of Po	<u>lk</u>
5. The Pipe line (Main ditch, canal or	to be 3000 ±
in length, terminating in the NE SE	of Sec. 35 , Tp. 6 S
(Smallest le	gal subdivision) (N. or S.) being shown throughout on the accompanying map.
	PTION OF WORKS
Diversion Works—	
	feet, length on top feet, length at bottom
feet; material to be used and c	haracter of construction (Loose rock, concrete, masonry,
Concrete or wooden box at sprin rock and brush, timber crib, etc., wasteway over or around dam)	g
(b) Description of headgate	(Timber, concrete, etc., number and size of openings)
	eral description(Size and type of pump)
(Size and type of engine or motor	r to be used, total head water is to be lifted, etc.)
***************************************	

<sup>\*</sup> A different form of application is provided where storage works are contemplated

<sup>••</sup> Applications for permits to appropriate water for the generation of electricity, with the exception of municipalities, must be made to the Hydroelectric Commission. Either of the above forms may be secured, without cost, together with instructions by addressing the State Engineer Salem. Oregon.
