STATE OF OREGON, }  
County of Marion } ss.

This is to certify that I have examined the foregoing application and do hereby grant the same, subject  
to the following limitations and conditions: The appropriation for irrigation purposes shall be  
limited to one-eightieth of one cu. ft. per sec.  
for each acre irrigated. The use hereunder shall conform to any reasonable rotation  
system ordered by the proper State officers.

The priority date of this permit is March 9, 1912

The amount of water appropriated shall be limited to the amount which can be applied to beneficial  
use and not to exceed Twenty (20.00) cubic feet per second. or its equivalent in case  
of rotation

Actual construction work shall begin on or before August 21, 1913

and shall thereafter be prosecuted with reasonable diligence and be completed on or before  
June 1, 1915

Complete application of the water to the proposed use shall be made on or before  
October 1, 1917

WITNESS my hand this 21st day of August, 1912

John H Lewis

State Engineer.
