CERTIFICATE NO. 13361

*APPLICATION FOR A PERMIT

To Appropriate the Public Waters of the State of Oregon

[•] A different form of application is provided where storage works are contemplated

^{**} Applications for permits to appropriate water for the generation of electricity, with the exception of municipalities, must be made to the Hydroelectric Commission. Either of the above forms may be secured, without cost, together with instructions by addressing the State Engineer, Salem, Oregon.
