STATE OF OREGON, } ss. County of Marion,

PERMIT

This is to certify that I have examined the foregoing application and do hereby grant the same, SUBJECT TO EXISTING RIGHTS and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use and shall not exceed 0.75 cubic feet per second measured at the point of diversion from the stream, or its equivalent in case of rotation with other water users, from Indian Creek

The use to which this water is to be applied is Irrigation

If for irrigation, this appropriation shall be limited to 1/20th of one cubic foot per second or its equivalent for each acre irrigated and shall be limited to a diversion of not to exceed 1 1/2 acre feet per acre for each acre irrigated in any 30-day period prior to June 1st, 1 acre foot per acre for each acre irrigated in any 30-day period after June 1st and shall be further limited to a total diversion of not to exceed 3 acre feet per acre for each acre irrigated during any irrigation season, and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The priority date of this permit is December 2, 1938 for 0.38 c.f.s. and January 20, 1939 for 0.37 c.f.s.

Actual construction work shall begin on or before February 14, 1940 and shall thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 1940

Complete application of the water to the proposed use shall be made on or before October 1, 1941

WITNESS my hand this 14th day of February, 1939
