Permit No. 13738

CERTIFICATE No. 22298

*APPLICATION FOR A PERMIT

To Appropriate the Public Waters of the State of Oregon

I, Dr. C. E. Morrison (Name of applicant)
ofKlamath Falls, County of
State ofOregon, do hereby make application for a permit to appropriate
following described public waters of the State of Oregon, subject to existing rights:
If the applicant is a corporation, give date and place of incorporation
1. The source of the proposed appropriation is
, a tributary of
2. The amount of water which the applicant intends to apply to beneficial use is
cubic feet per second. (If water is to be used from more than one source, give quantity from each)
**3. The use to which the water is to be applied is
4. The point of diversion is located 300 ft. South and 1800 ft. East from the Water of Section 36, T. 1 N., R. 10 W., (Section or subdivision)
(If preferable, give distance and bearing to section corner)
(If there is more than one point of diversion, each must be described. Use separate sheet if necessary.)
being within the NE ¹ / ₄ SW ¹ / ₄ of Sec. 36 , Tp. 1 North (Give smallest legal subdivision) (N. or S.)
R. 10 West , W. M., in the county of Tillamook
5. The
in length, terminating in the NW
R. 10 West, W. M., the proposed location being shown throughout on the accompanying map.
DESCRIPTION OF WORKS
DIVERSION WORKS—
6. (a) Height of dam
feet; material to be used and character of construction
rock and brush, timber crib, etc., wasteway over or around dam)
(b) Description of headgate(Timber, concrete, etc., number and size of openings)
(c) If water is to be pumped give general description Gravity flow (Size and type of pump)
(Size and type of engine or motor to be used, total head water is to be lifted, etc.)

^{*} A different form of application is provided where storage works are contemplated.

^{**} Applications for permits to appropriate water for the generation of electricity, with the exception of municipalities, must be made to the Hydroelectric Commission. Either of the above forms may be secured, without cost, together with instructions by addressing the State Engineer, Salem. Overon.
